

## Update on Fee Schedule

The Council of CRNPEI have approved fee increases for General and Extended Class registration coming into effect January 2, 2019 to reflect increased costs. In addition, there are also increases in Canadian Nurses Association and Canadian Nurses Protective Society fees that will also be reflected in the new fee structure for 2019/2020, although the College has absorbed those costs for each member in the 2018/2019 registration year.
